The February newsletter article: NEW INFINITE CAMPUS DATA BEING USED IN CIITS (2nd bullet) had the wrong Path indicated for the Education Professional Standards Board (EPSB) credential #.

It should be: **PATH: Census> People> Credentials tab > Licensure/Credential > License Number**

The on-line version of the KSIS & More Newsletter has been updated to reflect the correction [here](#).

A new state published query, “EPSB Number” has been pushed down to allow districts to pull a list of their teachers and their EPSB numbers. If a teacher on the list does not have a number, please enter their ID on the Credential tab.
